Product Description

Kress 60 V 21" brushless self-propelled lawnmower - KG760.1

The Kress 60 V 51 cm Self-Propelled Lawn Mower combines battery power with a brushless motor to deliver clean, no-fume performance so it eliminates the complexity of petrol, oil or maintenance.

- High-Performance Brushless Motor: Brushless motors are designed to deliver maximum performance and longer life while providing gas-like power
 - 21" steel deck and dual battery slots for premium cutting performance that delivers petrol-like power
 - Variable speed rear wheel drive: self-propelled rear-wheel drive allows you to adjust the speed to your walking pace
 - One-Touch Quick Folding: Easily vertical store your mower with the push of a button for space-saving, upright storage
 - 3-in-1 Cutting Modes: Mulching, Bagging and Side Discharge with ease
 - Ergonomic and multi-point grip handle design for easier operation while turning around or climbing with maximum comfort
-
